

Croft Hammered Series  
Finest Door and Cabinet Furniture

# Croft Hammered Series

Hand hammered door and cabinet hardware

Skilfully hand-textured hardware adds that rustic look and feel to beautiful rooms.

Available in over 20 finishes.

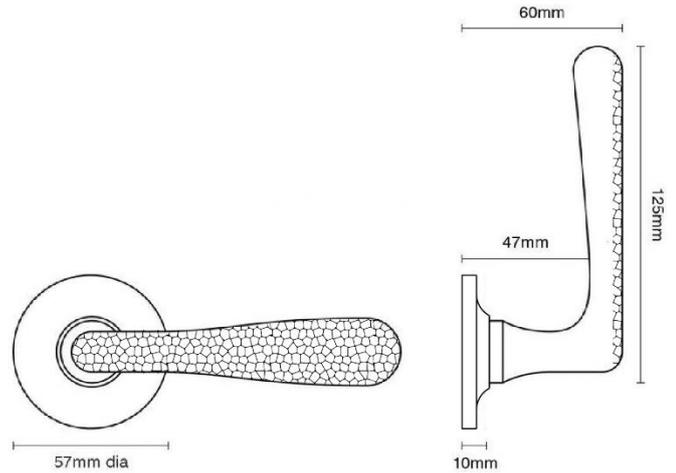

From our factory in the heart of England, we meticulously transform each piece of hardware by hand.

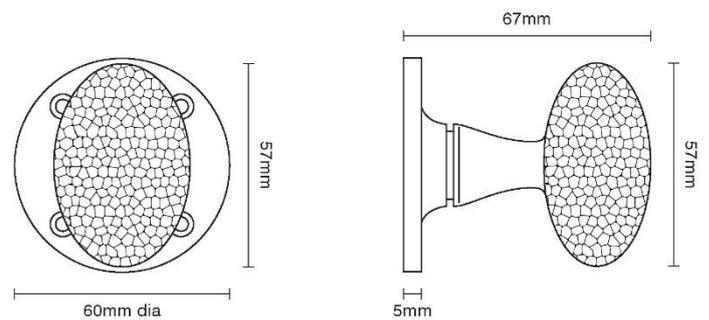

To add this charming textured effect to the hardware, our artisans use traditional handheld tools and accomplished hammering techniques, making each item truly unique.
